

Chair D7 – a statement for style-conscious

Delicate, elegant, beautifully shaped and perfect in appearance.
Whether as a single piece in your private home, as a pair in a boardroom or in elegant rows at conferences, the D7 chair is a statement piece that demonstrates an awareness of style and an appreciation for contemporary craftsmanship.
The chair was designed in 2012 by designer and master carpenter Klemens Grund as part of the internationally renowned 'Handwerk und Form' design competition and has been continuously developed ever since.
