

Solid Wood Table & Bench Set

A compact and elegant alternative to the traditional beer table set.

Architect and designer Georg Bechter designed this flexible table bench set in 2009. A convincing design with its classic construction using horizontals and pegs with lateral wedging. Self-explanatory, easy to set up and dismantle. The table top is made of silver fir, the base is elm hardwood.

Table 1800 x 640 x 740 mm

Bench 1800 x 300 x 455 mm
